Running Aces hosts prestigious Heartland Poker Tour

10,000 Lakes Championship Now through November 17

Columbus, MN – The card room at Running Aces Harness Park is proud to host the inaugural Heartland Poker Tour (HPT) 10,000 Lakes Poker Championship now through November 17, 2008. The main event will be held Sunday, November 16th, and the final table will be on Monday, November 17th. The HPT's television series will videotape the final table, produce two one-hour episodes and broadcast the action to more than 70 million homes across the country.

"The Heartland Poker Tour is one of the most popular, high profile and exciting poker tours in the United States," Running Aces Card Room Director Mike Horobin said about the HPT, which began as a brainchild of two Minnesotans and is now in its fourth successful season, "We're extremely pleased to hold the 10,000 Lakes Championship and strongly committed to making sure it's a successful tournament."

Long-time friends Todd Anderson and Greg Lang started HPT in 2005 with a concept that poker is all about the people. The independent television producers used their collective experience in television, regional business development and marketing and branding to establish the tour. The HPT has grown to 16 tournaments in 2008. Anderson believes HPT's success is tied to their universal approach, quality production, substantial purses and, of course, the players. Anderson also says the show is just plain fun.

"It's part drama, part reality television," Anderson said. "It's younger, funnier and more energetic than current poker shows. We feature real-people, great action and dynamic announcers who deliver clever commentary. It's compelling TV."

Tournaments run daily through November 17. For a complete list of HPT events at Running Aces, go to www.runningaces.com or heartlandpokertour.com. Or call 651-925-4569.
